HOWARD TRIAL

Will Proceed at Frankfort at Present Term.

Little Difficulty Anticipated in Securing a Jury to Try the Case.

Frankfort, Ky., Jan. 8.—Jim Howard will be tried at this term of the Circuit Court for the murder of Governor Wm. Goebel. Judge Cantrill this afternoon overruled the motion of the defendant to continue the hearing and ordered that the trial proceed. The Commonwealth admitted that Howard's absent witnesses, if present would testify to the statements set forth in the affidavit which was submitted by the defendant's counsel this morning. This forced the defendant into a trial and the court ordered attachments for all Howard's witnesses who did not answer when their names were called. Nearly all the Commonwealth's witnesses are now here. Among them are F. Wharton Golden, who came from Colorado.

It is expected that it will require about twelve days to try Howard this time. Judge Thomas R. Gordon, of Louisville, and Mr. James Andrew Scott, of Frankfort, will be the prisoner's active attorneys.

Attorneys of the local bar say they anticipate little difficulty in securing a jury to try Howard.

KICKED INTO POND

And the Victim Came Near Being Drowned.

Mr. Thomas Mimms, a farmer living near Trenton, was the victim of a very peculiar accident and one that came near proving fatal.

He was walking around in his horse-lot, near a deep pond, when a mule galloped by and kicked him on the back of the head. Mr. Mimms was knocked senseless and fell in the water. The water being very cold it restored him to consciousness in a few seconds, or he would have drowned.

While painfully hurt, he will recover.

SPECIAL ATTACHMENT

Against Property of Defendant in Addition to Divorce.

Tempe Murphy has filed suit for divorce from Wesley Murphy, charging abandonment. They have been married two years.

Plaintiff prays a decree of divorce and asks \$500 alimony for maintenance of herself and child. She further prays that a special attachment issue against the property of the defendant.

The parties are colored and live near Newstead.

DAWSON--BINNS.

Prominent People of Pee Dee Married Here Yesterday.

Mr. J. W. Dawson and Miss Daisy Binns, prominent young people of Pee Dee, were married at the residence of the officiating minister, Rev. J. L. Wyatt, pastor of the Presbyterian church here, at 3 o'clock p. m. yesterday. The couple immediately left for their home.

The bride is a daughter of Mr. Walter Binns.

W. A. Cason died at his home on North Liberty Wednesday morning, after an illness of several weeks, of consumption. He was about forty years old and leaves a family. The remains were interred in the Cason burying ground, near Salubria Springs, yesterday.

SENATORIAL CAUCUS.

First One To Be Held To-night By Agreement.

Deboe Knocks Bradley Out of the Ring for Republican Nomination

Frankfort, Ky., Jan. 9.—By agreement of all the candidates, the Democratic caucus to make a nomination for United States Senator was held in the hall of the House of Representatives last night, as there was no probability of any of the candidates withdrawing, it was the consensus of opinion that no nomination could be made, and the caucus may drag along through the remainder of the entire week and longer, before the deadlock is broken.

The caucus to nominate two prison commissioners will not be held until the senatorship is settled.

Deboe downed ex Gov. Bradley in the empty honor of securing the nomination for Senator, being nominated by acclamation. Boreing withdrew by telegraph, when Bradley's name was withdrawn.

Both Houses adjourned Tuesday in honor of Jackson day.

Geo. W. Hickman, of McLean county, has announced himself as a candidate for Congress in the Second district. A. O. Stanley and W. R. Howell are also in the race.

Capt. W. T. Ellis, of Owensboro, is a candidate to succeed Judge Guffy in the court of Appeals.

There is an apparent disposition on the part of the Goebel reward commission to pay out no money for the conviction of Youtsey.

Mr. Watterson has requested a friend to prevent the mention of his name in the United States Senatorship caucus.

Judge W. E. Settle, of Bowling Green, is the only probable Democratic contestant for appellate Judgeship that Mr. Ellis will have to contend with.

FALL PROVED FATAL.

Although Accident Happened About a Year Ago.

Mr. Wm. H. Wade, a well known citizen of near Fairview, died last Saturday. He was 56 years old and is survived by a widow and three children.

About a year ago, Mr. Wade, while placing some rafters on a barn, fell twenty feet to the ground, sustaining serious injuries. He never fully recovered from the fall. Since that time he had been gradually on the decline and a few months ago lung trouble developed, hastening his death.

He was a member of the Cumberland Presbyterian church.

Why Not Hopkinsville?

Carnegie is going to give Paducah \$35,000 for its library when work on the new building begins. Hopkinsville would probably accept a like amount.

BUYERS BUSY

And Contracts Being Signed Up Every Day.

Sales on the Breaks Will Probably be Resumed Next Week.

The weather during the past week has been most favorable for handling the weed and loose receipts have been unusually heavy.

Farmers are also prizing in some sections and hoghead receipts will soon begin to improve.

There were no sales on the breaks this week, but this branch of the tobacco business will probably be resumed next week.

There is still some old tobacco on hand to be disposed of, and this, together with new receipts, is expected to furnish stock sufficient for a good sale.

Loose buyers were never busier and contracts are being signed up every day.

Prices being paid are satisfactory, ranging from \$5 to \$7 around. There were some private cash sales this week at fair prices.
